3. Purchase of the portable wood floor for the club
   The price quote for a 24’ X 39’ floor (including edge and corner pieces and carts) is about $9000. It was proposed that Anjali contact the same vendor for a quote for a slightly larger floor (30’ X 39’).
Once the board decides on size of the floor to be purchased, approval for this expense will be sought from the club membership since it involves a large sum of money. Information provided to the membership must include final quote, associated costs, financial projection and advantages and possible disadvantages.

11. Missing and/or unaccounted finances during Sanjay’s term as Treasurer
The Board decided that for the time being, it will not actively pursue the issue of the missing/unaccounted monies from the MATC account during the time period when Sanjay Ravipati was Treasurer of the Club.
Sanjay has acknowledged to the old Board to having received $700 as a cash advance for T-shirts printed on behalf of the Club. However, since he returned only 15 T-shirts to the Board, he would still
be required to account for the remaining $550, assuming the selling price of each T-shirt ($10) matched the cost price.
Sanjay has produced one of the receipts for the T-shirt orders and is looking for the other three. The Board agreed to ask Sanjay to provide accounting for $550 or deposit that money with the Club Treasurer.

Proposed: Hirak Parikh  
Seconded: Aleric Soans  
Vote: unanimous

12. Mondays at the Grange  
For the past few years, the Club had regular advanced classes at the Pittsfield Grange on Monday evenings. However, they remained canceled during the summer with a proposal to revisit this in the month of September. The Board felt that it was important for us to be able to retain a great venue for our members and users at any level, to practice their dancing especially since the Grange has a great dance floor. The Board also took into consideration that most other days of the week were either inconvenient (too close to Wednesdays or the weekend) or coincided with other tango events in the area and Monday practicas has always been a part of the Club’s regular and festival schedule. The following motion was passed with regards to events at the Grange. A regularly scheduled low-stress practica will be held at the Grange from 8 – 10:30 pm every Monday. The practica will be free for its members and users. The cost for renting the space every Monday will be paid for by the Club. A DJ schedule will be made and carpooling will be coordinated through the Club website discussion forum.
